CUB Scout SALUTE

Tiger Cub Achievement #4

FOCUS

_Cub Scout Roundtable Leaders’ Guide_

Cub Scouts salute those heroes who help keep us safe and secure every day. Can only adults be heroes? Heroes can be ordinary kids who do something out of the ordinary. Do you read Boys' Life? Every issue features Scout heroes. Invite your hometown heroes to a den or pack meeting. Your den can become "silent heroes" by performing service for others without seeking any recognition. Visit a veterans’ hospital, fire station, or police station and give a "Cub Scout salute" for their heroism.

CORE VALUES

_Cub Scout Roundtable Leaders’ Guide_

Some of the purposes of Cub Scouting developed through this month’s theme are:

- **Good Citizenship.** Boys will gain a stronger respect for veterans and community workers and will develop an appreciation for our country and their community.

- **Character Development.** Cub Scouts will have a better understanding of what it takes to be a hero and learn to express: their gratitude properly.

- **Friendly Service.** Cub Scouts will derive satisfaction from being silent heroes.

The core value highlighted this month is:

- **Respect.** Cub Scouts will gain a better appreciation of the duties of everyday heroes and express their respect for them.

Can you think of others??? Hint – look in your Cub Scout Program Helps. It lists different ones!!

COMMISSIONER’S CORNER

Well It is the end of another month and I am pushing hard to get Baloo out before the first. Thought It would be easy this month then that thing called life got in the way again. Pack Join Scouting Night, my job that funds all this FUN, …

Bill Smith checks in this month on Cub Scouts 2010. Be sure to read it. And check out the links. Also, note that his website address has changed. His old one was corrupted by unknown forces on the web. His new one is clean and pure. It works great for me from Mozilla Firefox but not from Microsoft Internet Explorer.

I need Pow Wow Books

My resources are a little low right now. Many of my Pow Wow books from last fall have run out. If your council had a Fall Pow Wow and you have a book, I will be glad to swap you copies of those I received this month for one of yours. Drop me an E-mail at commissionerdave@comcast.net and we can set it up. I am counting on Scouter Jim for a copy of Great Salt Lake’s and Rachel for Sam Houston Area’s Pow Wow Books. *Pretty, Please!* But I need more - Utah National Parks is always great as is Heart of America. I am interested to see what they do after themes run out and Cub Scouts 2010 begins. E-mail me at davethecommish@gmail and we can set up a transfer.

And don’t miss Ken Burns "The National Parks, America's Best Idea" series on your local PBS channel/ I am enjoying it in HD!!! (Although the first episode was a little slow, the scenery was tremendous!!!) – Check it out at

http://www.pbs.org/nationalparks/history/ep1/

or

http://www.kenburnsthenationalparks.com/

(This site is an ad to but it but links you back to PBS)

Also, I have a great book - _M is for Majestic._ It is an ABC book on the National Parks. Would be great for a den. I am using it for the theme of next summer's Webelos Resident Camp!!!

_AND how to do a living Circle Closing is on page 25. I learned this in 1957 and it is still in use and still in the book!!_
Citizenship. Cub Scouts celebrate the diversity in their dens and families and take pride in learning about the many cultures that make up our country.

Positive Attitude. Cub Scouts keep a positive attitude as they salute the flag during den meetings and ceremonies. Being positive helps the Scouts stand straight and tall as they work towards their goals.

**Thanks for Everyday Heroes**

*CS Roundtable Planning Guide*

Great Spirit, we give you thanks for the everyday people who do heroic things— the firefighters who answer the call for help, the police officers who work at keeping our cities safe, the military personnel who keep our country safe, and the Cub Scouts who unselfishly give service to others. May we recognize all these everyday heroes and give them our thanks. **AMEN**

*Sam Houston Area Council*

Thank You for Scouting and for the inspiration You gave our founders. Watch over our meeting and help us to keep Scouting alive forever. **Amen.**

**The First Salute**

*Scouter Jim, Bountiful UT*

If you can’t get them to salute when they should salute and wear the clothes you tell them to wear, how are you going to get them to die for their country? **General George S. Patton**

A co-worker of mine had a son graduate from the University and the ROTC program. He had two brothers in the military. One, a commissioned officer was able to swear his brother in as a new officer. The other, a Master Sergeant was the first soldier to give the new officer a salute. It was considered a great honor that the first salute he would receive as a Commissioned Officer was from his brother. I know from the culture of the family that the young man was once a Boy Scout and possibly an Eagle Scout. Most likely he was a Cub Scout before that.

That salute was not his first. He had given many salutes in his training no doubt. As a Boy Scout he would have given Salutes during flag ceremonies. But his first salute was no doubt as a Cub Scout. In a blue shirt with his arm proudly held up and two fingers placed to his forehead or against a Blue and Gold hat. This young officer’s first salute as an American in uniform was probably as a Cub Scout proudly wearing a blue shirt.

As leaders, it is well that we remember that our young Cub Scouts giving their first salutes in uniform as Americans with two fingers, will advance in Scouting and start giving three finger salutes as Americans. Some will go on to serve their county and start to give four finger salutes, but their first salutes in uniform will always be as Cub Scouts with two finger against the hat. The Character Connection for November is Respect. There may be no better way to teach respect for the county, the flag, and those who serve in
uniform that to teach the importance of that first salute to the flag. Teach boys to wear their uniforms with pride and to be respectful of the flag and to give a crisp proper salute when they honor it.

**Quotations**

*Quotations contain the wisdom of the ages, and are a great source of inspiration for Cubmaster’s minutes, material for an advancement ceremony or an insightful addition to a Pack Meeting program cover*

Many have left their families to defend our freedom. We salute their bravery; we express our appreciation and support to their families. And we pray for their safe return. **Bob Taft**

The whole inspiration of our life as a nation flows out from the waving folds of this banner. **Author Unknown**

If anyone, then, asks me the meaning of our flag, I say to him - it means just what Concord and Lexington meant; what Bunker Hill meant; which was, in short, the rising up of a valiant young people against an old tyranny to establish the most momentous doctrine that the world had ever known - the right of men to their own selves and to their liberties. **Henry Ward Beecher**

I swing before your eyes as a bright gleam of color, a symbol of yourself, the pictured suggestion of that big thing which makes this nation. My stars and my stripes are your dream and your labors. They are bright with cheer, brilliant with courage, firm with faith, because you have made them so out of your heart. For you are the makers of the flag and it is well that you glory in the making. **Franklin Knight Lane**

Cheers for the sailors that fought on the wave for it, Cheers for the soldiers that always were brave for it, Tears for the men that went down to the grave for it, Here comes the flag! **Arthur Macy, The Flag**

It is the flag just as much of the man who was naturalized yesterday as of the men whose people have been here many generations. **Henry Cabot Lodge**

That piece of red, white and blue bunting means five thousand years of struggle upwards. It is the full-grown flower of ages of fighting for liberty. It is the century plant of human hope in bloom. **Alvin Owsley**

We take the stars from heaven, the red from our mother country, separating it by white stripes, thus showing that we have separated from her, and the white stripes shall go down to posterity, representing our liberty. **George Washington, attributed**

Our flag means all that our fathers meant in the Revolutionary War. It means all that the Declaration of Independence meant. It means justice. It means liberty. It means happiness.... Every color means liberty. Every thread means liberty. Every star and stripe means liberty. **Henry Ward Beecher**

A flag appears 'mid thunderous cheers, The banner of the Western land. The emblem of the brave and true **John Philip Sousa**

The flag of the United States has not been created by rhetorical sentences in declarations of independence and in bills of rights. It has been created by the experience of a great people, and nothing is written upon it that has not been written by their life. It is the embodiment, not of a sentiment, but of a history. **Woodrow Wilson**

The Scouter’s Minute, ©1957

“Mr. Chairman, this page of a New York newspaper that I am holding up, as you will see, contains a photograph of a 14-year-old Scout and nearly two columns describing how he saved the lives of six persons and dog in a blazing tenement and from sheer modesty kept the fact from his family for two weeks, when they accidentally learned about his feat. The Scout’s name is Frank Catalano, a member of an East Side Troop and it was chiefly his feeling of kindness toward animals that sent him in after the dog, and then just incidentally he dragged the six people one after another, through the smoke and flames to safety. That’s all, Mr. Chairman.”
Speaking of Bravery
*The Scouter's Minute, ©1957*

I hardly know when a more striking example of Scout courage and scorn of obstacles has reached us than the one-armed Boy Scout, Howard Rote of Vineland, New Jersey, who dove from the upper deck of a yacht and rescued a child who had fallen off a public pier. Both the Scout and the child were in danger of being crushed between the pier and the swinging yacht before the rescue could be effected. This is not the first time Rote has qualified as a lifesaver. Twice before he has saved persons from drowning, in one case rendering artificial respiration to the unconscious victim, thus doubly saving his life. Rote is an Eagle Scout. He, too, has not regarded a physical handicap as a bar to progress in Scouting. Any reason why you shouldn’t do at least as well as this scout? —Scouting Magazine.

He Gave His All
*The Scouter's Minute, ©1957*

Allen Daggett, 14-year-old Boy Scout from Oakland, California gave his life to save his younger brother from being killed by an electric train. He regained consciousness a few moments before he died and his first question was for his brother. Upon being assured of the younger lad’s safety he smiled content. “I couldn’t have done anything else,” he said, “I’m a Scout,” and the word “Scout” was the last on his lips.

Another Scout, Thomas B. Robinson, of Camden, New Jersey, also recently made the ultimate sacrifice giving his own life to save that of another boy from drowning. His effort was successful but in the end he was himself overcome by exhaustion and never recovered consciousness. Pathetically enough it was reported later that the boy had confided to his friends the he coveted the chance to be a hero and to win the Life Saving Medal awarded by the National Court of Honor. He died as he lived—a true Scout. —Boy’s Life.

Cub Scout To Receive Award For Saving Brother's Life
*By Rodger L. Hardy, Deseret News*

SPANISH FORK — Sitting at the dinner table across from 4-year-old son Nicklaus, Jed Morley says he can't imagine what life would be like had his 10-year-old son, Ethan, not had the courage to enter their burning house in February and pull out his little brother feet first.

Next week, the Utah National Parks Council of the Boy Scouts of America plans to recognize Ethan Morley for that act of heroism with the Honor Medal, the national organization's second-highest live-saving award. Local Scout leaders don't see many Cubs earning a national award for life saving. But when Ethan receives the award at a Court of Honor on Tuesday, he will become the third Cub Scout in the council this year to receive an award for saving a life. Just 34 Scouts across the nation received the Honor Medal last year, according to the Boy Scouts of America Web site, www.scouting.org. "It's quite an honor," said Michele Morley, Ethan's mother. "I'm not sure he really understands yet what it really means."

Jed and Michele Morley had stepped out of the house that cold February evening, leaving their 14-year-old daughter, Emily, in charge of the five children and a cousin, Michele Morley recalled.

"About 45 minutes to an hour later, I got a call from Emily (in a panic)," she said. The house caught fire when Nicklaus was apparently playing with matches. The fire alarm went off, but another daughter who was preparing food in the kitchen thought it was just her cooking that set it off, Michele Morley said. When the alarm persisted, one of the children went upstairs and saw the flames.

Emily ran a pan of water upstairs, but when she saw the size of the fire, she dropped it and hustled the children out of the house. They ran across the street where Emily counted noses. That's when she realized Nicklaus wasn't there.

Ethan, then 9, bolted back across the street and re-entered the house. Flames had already burst through the upper-story windows.

"Suddenly I felt courage," he later told his mother. When Ethan arrived on the second floor, fire was already coming down the hall. Smoke was so thick it was difficult to see. He turned toward the boys' room but changed direction as suddenly "he just knew where to go," his mother said. Ethan went into the girls' room, where he saw Nicklaus' feet in the closet. He grabbed them and pulled him out of the room, Michele Morley said.

Together they escaped the burning house. When firefighters arrived moments later, they said the house didn't have enough oxygen left to sustain life. "The fire department told me there was only 6 inches of oxygen on the floor," Jed Morley said. "There was no way (Nicklaus) would have lived."

The second level was a total loss. The family had just finished remodeling the home and had moved in a week before the fire, Jed Morley said. After making repairs, they moved back into the home the week of the Fourth of July.

Ethan will join fellow Utah Cub Scouts Steven Ashworth, 9, of Highland, and Kade Kleven, then 9, of Orem, this year as recipients of awards for saving a life. Steven will be given his award Saturday for pulling a younger boy out of a family pool last June. "The boy was face down, not moving when Steven saw him," Utah National Parks Council spokesman John Gaily said. "Steven swam over, turned him over and saw that he was blue in the face. So he got him over to the side of the pool, pushed him onto the deck and called for help. Adults then started CPR and revived the young boy."

Kade was honored for applying the Heimlich maneuver on his little brother, who was choking on a piece of Halloween candy in November.

Steven and Kade both earned the Medal of Merit, an award for demonstrating unusual concern for others. The Honor Medal is given to Scouts who save a life or attempt to save a live with considerable risk to themselves.
How good it is to see that National is now excited about Cub Scout retention, and how den meetings fit in, after decades of depending almost entirely on more recruiting to make up for membership losses. Cub Scouts 2010 is the new approach to provide structure to den meetings. A lot of the structure is based on advancement in the boys’ Cub Scout books. That is a significant improvement in that much advancement – especially the requirements – is there specifically to support Scouting’s Aims. Almost anything that pushes us to do that seems OK with me.

Retention has, for many years, been a problem in Cub Scouting. We have long known many of the causes for boys dropping out of the program: dull, inconsistent meetings, untrained leaders, and especially failed dens. Some attention has been paid over the years to improving pack meetings and particularly to outdoors and summer-time programs but problems in den programs were generally ignored. Once we started measuring retention at the den level, it became apparent that as many as a third of our drop-outs were from dens that had completely disappeared from our membership roles. Our den support has been systemically weak, and it is heartening to see how Cub Scouts 2010 emphasizes the den.

The delivery schedule has been markedly improved over those of earlier changes. CS-2010 will not come into general effect until the fall of next year. That provides time for updating support material like Training and Roundtable Guides. I remember the debacle when we introduced the new Tiger program in 2001 with no support – not even the boys’ books – available for months – even a year later. This is a significant change and I’m personally glad to see it seems to be scheduled in a deliberate, measured manner.

Another advantage is that there is a lot of advance information available on the internet. This does much to ameliorate rumors and apprehension. Many of my own questions that arose from the lack of information available at the national Meeting last June have now been satisfactorily answered. Lack of transparency has plagued program changes in the past. This is a huge improvement!

That doesn’t mean everything will be perfect right from the start. There will be a learning curve for all of us and we should expect more changes as we gain experience. Our unit leaders are a clever lot and I expect that many of them will be suggesting all sorts of ideas to make it even better.

I heartily encourage every Scouter to sign up for the https://myscouting.scouting.org/ Scouting Community on My Scouting and join groups that interest you. This is the best venue to air your views to the Scouting world. So, login, sign up if you haven’t and start participating. (You will need the ID number on your BSA membership card to register.)

Pack Meetings and Themes
I wonder how dropping themes will affect Pack meetings. Of course not all packs follow themes but most of the really successful ones do base their pack meetings and activities on some inspiring, fun idea. I have read two versions of how CS-2010 plans to organize Pack Meetings: one based on Character Connections and the second based on following National and/or Council activities. The first sounds sort of dull and the other begs the question: Isn't the mission of councils supposed to be to serve units, not the other way 'round? The promotional material pays lip service to retaining and even increasing the fun of Cub Scouting but I certainly hope that someone is busy working on it.

The good news is, that along with themes, goes a lot of the busy, cute craft projects that have been the bane of our program for so long. Let’s replace craft with games, magic and outings.

Roundtables
A new Roundtable Guide that supports Fast Track and CS-2010 has been announced. I would expect the quality to be at least as good as the current one. Roundtables will change. A lot of the burden will fall on local districts to respond to the needs of the unit leaders they serve.

Training
Training will have to be updated as well. There should be much that was useful from the pilot programs. The quality of the present training is the best I have seen in my forty odd years of Cub Scouting. The group headed up by Ted Rohling and Sam Thompson raised the bar for training manuals to new heights last year and it would be a shame to lose that quality. Unless Ted or someone with equivalent background and education is involved in producing the updated training, I worry about what we might get.

The same concerns may also apply to updated versions of other resources such as The Cub Scout Leader Book and the How To Book. Both of those are presently as good as they have ever been. It would be shameful to mess these up with a rushed update.

Parents
There has been some question as to whether Fast Tracks could potentially turn Cub Scouting into a drop-off day care program, rather then a program that stresses family involvement. I hope not. Home and family involvement has been one of greatest attractions of Cub Scouting. It makes our program rather unique, not only in Scouting but also in programs for American youth. Over and over we see the strongest and most successful packs are those that make parents and families an important part of their programs.

So far it seems that some advancement will be completed in the den, presumably as part of fun or adventurous activities and other advancement will be completed at home. This has worked admirably in the Tiger program for some eight years now.

I must admit that some of the presentations at the National Meeting last June were disappointing in the way they dismissed parent participation but I’m not sure that they were truly representative of CS-2010.

Conclusion
There is much to cheer about in this venture. There is a promise and an expectation that many of the barriers that
I don’t expect CS-2010 to be perfect, just better. Being a DL is an adventure that has to be lived. Cubmaster, Scoutmaster, or instructor failed to prepare me. Sort of isn’t trivial. Most professional Scouters were never den leaders. Getting a group of Scouters together who represent diverse communities and factions of Cub Scouting is a time consuming and expensive procedure.

Trying to do it on-line may not work. When I was organizing a committee of about two dozen experienced, mostly IT-capable Scouters for a Jamboree exhibit, I was devastated to realize that emails, chat groups and such were of little help. Face-to-face discussion beat everything else for what we were trying to do. My spectacular friend, Sue Hauser, had much the same experience when she led the task force writing the first Tiger Book. I had helped her set up a private Yahoo group for her committee, but only when the entire group get together in Nashville did everything jell and the process took off. A lot of what has to be done now will take lots of travel and lots of meetings. Don’t expect instant success.

It will also take professional input that is intimately familiar with Cub Scouting, especially what goes on in dens. This isn’t trivial. Most professional Scouters were never den leaders and must rely on volunteers who were. Sort of accidently, I took over the den leadership when my grandson’s DL was suddenly posted to Europe. After some thirty-five years of adult Scouting experience, serving on three National task-forces, and four years as Council Vice President, I thought being a den leader would be a snap. Boy, was I wrong! No one knows what it’s like to lead a den until you face that gang in blue busting though the door and challenging you to do your best. My experience as a parent, Cubmaster, Scoutmaster, or instructor failed to prepare me. Being a DL is an adventure that has to be lived. I don’t expect CS-2010 to be perfect, just better.

What are YOU going to do now?

Go get ‘em. We need all the help we can get.

The best gift for a Cub Scout......

PACK ADMIN HELPS

 Recruiting New Leaders
Excerpts from “Selecting Cub Scout Leadership,”
No. 13-500.

Be sure to read the whole pamphlet!!

The Key Three of your pack (The Chartered Organization Representative, the Committee Chair, and the Cubmaster) as well as all the members of the committee should be familiar with the steps of selecting and recruiting quality leaders for your Pack. The key to the process is found on the pamphlet, “Selecting Cub Scout Leadership,” No. 13-500.

The quality of any program, whether it’s a Scouting program or any other program, is directly related to the leadership. The stronger the leader, the stronger the program. Selection of leaders is the responsibility of the unit committee and chartered organization. This shown by the requirement to have the Committee Chair and the Chartered Organization Representative sign the new leaders application prior to submission to the local council. The Chartered Organization (as well as the Committee) may seek advice from the BSA local council about the process. Your Unit Commissioner should be actively helping you in this process.

How does a committee or an organization actually go about selecting and recruiting the best person for the job?

Step 1 — Gather a Selection Committee
The head of the organization or COR appoints a selection committee. In the case of an existing unit, the unit committee is the logical starting place. However, parents and others may be invited to participate in the process.

Step 2 — List the Qualifications
After a committee is brought together, they then make a list of qualifications the candidate should possess. These traits should be listed on a flip chart for all to see.

Step 3 — List the Candidates
With the qualifications agreed upon, the committee then brainstorm a list of all possible candidates. All candidates mentioned are placed on the list and no committee member may disqualify candidates at this time. With the candidate list developed, the committee then numerically prioritizes the list.

Step 4 — Organization Approval
Since the leadership is the responsibility of the chartering organization, the institution head should provide his approval of the committee's selection.

Step 5 — Call on the Prospect
Now the committee selects a visitation team (usually three people) to visit the number one prospect on the list.

The committee should consist of someone knowledgeable about the Scouting program, someone representing the organization, and someone who has influence with the prospect.
Step 6 — Approach the Prospect
The interview should occur at the prospect's home. After a presentation is made to the prospect, the influential person should ask the prospect to serve. If the prospect is unable to serve, an alternate position should be offered.

If the number one prospect has declined, the number two prospect becomes the top prospect and the process begins again with the institution head.

When the prospect Says Yes: Now What?
Once the prospect has said yes, three things need to occur. First, an application is completed. Second, immediate training should occur. This may be Fast Start or some sort of personal coaching. This needs to occur within 48 hours of his commitment to do the job. Third, an announcement should be made to the organization, other leaders of the unit, and parents as to the prospect's acceptance of the position.

Be sure to get your own copies of Selecting Cub Scout Leaders, No. 13-500; and Selecting Quality Leaders, No. 18-981.

Comment from commissioner Dave –
My personal Rule #1 – Do NOT beg, you are offering this person a tremendous opportunity to help youth grow to succeed in our world. Approach them on a high plane. Keep the conversation upbeat.

When you say to someone that they are your last hope, you are telling them they were not your first choice. It is not a compliment.

Tell them they will not be alone. There are other leaders. There is an almost infinite amount of literature. Both written on paper and on the web. There is training for new leaders, Cub Scout Position Specific, and continuing training, Roundtables. Also, supplemental, Pow Wow, Danger Zone, Philmont Training Center, and more, there is advanced training, Wood Badge.

And you get to wear a snazzy uniform!!! ☺

Here are few interactive things to help you -
Leader Recruitment Skit
Circle Ten Council

The following is a skit from the 2002 Circle Ten Pow Wow book that can be used very effectively to recruit new leaders. You should modify as needed to better describe your unit and its needs. Commissioner Dave

Who Else…

Set Up: Have all the Cub Scouts and Webelos line up at the front of the room with a spotlight shining on them. Have the adults read the following parts from the back of the room.

Assistant CM: Boys are the nicest things that ever happened to me … those arrogant, self-assured little men-children who assume that all the great big world revolves around them.

Tiger Leader: Who else can carry half a worm, one crushed daisy, a piece of scrap metal, a three-day old apple core and two cents all in one pocket?

Den Leader: Who else can take a bath without getting their shoulders wet, and wash for dinner without turning on the faucet?

Den Leader: Who else can believe that right is right and wrong is wrong, and the good guy always wins in the end?

Webelos Leader: Who else can be a fireman, sword fighter, cowboy, deep-sea diver, all in the space of an hour, and then solemnly hold a funeral, complete with cross and box, for a shell off a turtle lost a month ago?

Webelos Leader: Who else can be a cutter without teeth, meaner without malice, kinder without embarrassment, sillier without foolishness, and clean without neatness?

Committee Chair: The world gains much in leaders and manpower when boys grow up … but it loses something too. That magic feeling that comes with being nine! The feel of dust between bare toes and the ability to lie quietly while time stands still, to watch a minnow in a brook.

Cubmaster: Me … I like Cub Scouts - the boys! They smile when I need a smile; they tease me when I'm somber; they keep me from taking myself too seriously. No, I don't wish that I were nine again. I just hope that somehow God will see to it that I always have someone nine years old in or near my house and heart.

All: Cub Scouting is the nicest thing that ever happened to ME!

At this point you begin your recruitment of new leaders and committee people building off the theme of that the adults enjoy Cub Scouting too.

The Yardstick

The importance of the ages 6 - 11, the Cub Scout years.

Pack 715, Scouter Joe Wollet

Props - You will need a standard yardstick with colored marks at the 3”, 5.5”, “7”, 9” and 11” distances from one end. These correspond to the ages of 6, 11, 14, 18, 22. Mark both sides.

Dave's Variation - Prep yardstick by sawing into the yardstick from both sides at the designated marks. Be careful - do not cut al the way through. Leave enough that the stick is still firm. Have a second uncut yardstick to hold up.

Look at this yard stick as your son's life. Each half inch equals 1 year. Thirty six inches - 72 years, the average person's lifespan. At 1/2” (1 year) he is cruising the carpet and furniture, getting into all kinds of things he shouldn't. At 3” he's six and is in first grade, and excited about school. At 5 1/2” he's eleven, and is moving on to Jr. High or Middle School. At 9” he's eighteen and graduating High School. You're busting your buttons with pride for him in his cap and gown. At 11” he's graduating college and has moved on to his own life and family.
we take care of each other. By whatever name, these disaster services are common throughout the United States—Emergency management, emergency preparedness, and response, and recovery related to any kind of disaster, whether natural, technological, or national security. Emergency preparedness means being prepared for all kinds of emergencies, able to respond in time of crisis to save lives and property, and to help a community—or even a nation—return to normal life after a disaster occurs.

It is a challenge to be prepared for emergencies in our world of man-made and natural phenomena. The Emergency Preparedness BSA program is planned to inspire the desire and foster the skills to meet this challenge in our youth and adult members so that they can participate effectively in this crucial service to their families, communities, and nation.

The emergencies of today's world demand more than ever that our young people and adults be trained as individuals and as units to meet emergency situations. The importance of this training is not new to the Boy Scouts of America, as Scouting has always taught youth to be prepared for all types of emergencies. Since Scouting began in the United States, Scouts have responded to the needs of their communities and nation in time of crisis.

From its beginning, the Scouting movement has taught youth to do their best, to do their duty to God and country, to help others, and to prepare themselves physically, mentally, and morally to meet these goals. The basic aims of Scouting include teaching youth to take care of themselves, to be helpful to others, and to develop courage, self-reliance, and the will to be ready to serve in an emergency.

In addition to the millions of youth and adults who are active members of the Boy Scouts of America, millions of former members were trained in Scouting skills that prepare them for meeting emergencies. They are a built-in source of help to others, and to develop courage, self-reliance, and the will to be ready to serve in an emergency.

When an emergency occurs, it affects every youth and adult member of BSA in the immediate area, creating the responsibility to respond first, as an individual; second, as a member of a family; and third, as a member of a Scouting unit serving the neighborhood and community. Because of these multiple levels of responsibility, the Emergency Preparedness BSA plan includes training for individual, family, and unit preparedness. Special training in all three areas is a prerequisite for BSA members conducting any type of emergency service in their communities.

Individual Preparedness
The primary emphasis of this initial step in the program is to train members to be mentally and emotionally prepared to act promptly and to develop in them the ability to take care of themselves. Teaching young people to know and be able to use practical survival skills when needed is an important part of individual preparedness.

Dave's Variation - After completing the above paragraph, go backwards and ask people how much influence and control they will have at that time and snap off the sections as they are discussed – First from college after (11 inches), essentially none, snap it off. Then during high school (7 to 9 inches), almost none, snap it off. Next middle school (5 ½ to 7 inches) weakening, snap it off. Then tell them that whether they did good or didn’t, the first 6 years are gone and snap off 0 to 3 inches. Now you are left with the piece from 3” to 3 and one half inches.

I'd like to go back to the 2 1/2” between 3 " and 5 1/2" (between 6 and 11 years old). [Hold your fingers at these two marked lines]. These 2 1/2", or 5 years are key years in your son's development. Many of his decision-making skills, ethics and morals will be developed and reinforced during this time. A recent study showed that young people who were close to a caring adult in these early years were less likely to get into trouble with drugs, crime, etc. and were more likely to continue in school.

These five years are the years of the Cub Scout - Tiger Cub through Webelos Scout. [At this point drop the yard stick, but keep your finger spaced the 2 1/2 “ apart]. In Cub Scouting we need every family to get involved this much. [refer to the distance between your fingers]. "This much" is different for everybody. Your "This much" might be as a committee member, or a den leader for your son, or for others'. It might be organizing an outing, handling the Pack treasury, writing a newsletter, organizing the Blue and Gold banquet. It might be as a Cubmaster.

When a member has fulfilled the requirements appropriate to his age/program segment, a completed application is submitted to the council. Upon approval, an Emergency Preparedness pin is awarded. The pin may be worn on civilian clothing or on the uniform, centered on the left pocket flap. The award may be earned more than once; for instance, as a young person advances through the ranks and is capable of more complex preparedness activities, but only one pin may be worn. GATHERING ACTIVITIES

Note on Word Searches, Word Games, Mazes and such –
In order to make these items fit in the two column format of Baloo’s Bugle they are shrunk to a width of about 3 inches. Your Cubs probably need bigger pictures. You can get these by copying and pasting the picture from the Word version or clipping the picture in the Adobe (.pdf) version and then enlarging to page width. CD

From Super Hero to Super Scout
Alice, Golden Empire Council

Give each boy a piece of regular white paper and have them fold the paper into four squares.

In the first square, each boy can draw their favorite superhero, or write something about that hero.

In the second square, each boy can feature their favorite well-know “real” hero – you may want to talk about some examples, such as Mother Teresa or Martin Luther King.

In the third square, have them choose a favorite community hero – it could be a teacher, a firefighter, or even a parent.

In the last square have them draw or write about themselves. Later in the meeting, talk about the boy’s hero squares – let each boy explain who they included and why they are heroes.

I also did a project like this using T-shirts one time. The boys drew out their ideas and we transferred them to a Hero shirt – today, that would work with the transfer sheets you can print off your computer. -Alice

**The Circle of Life**

Sam Houston Area Council

Setting – Narrator, 4 Scouts, 4 posters showing the sun, the moon, the wind, and the earth

Scene – Scouts are in a line.

**Narrator:** Everything in life has a cycle, normally represented by a circle, like the circle of life. The power of the world always works in circles and forces try to take a round shape.

**Cub #1:** (holding the poster of the sun) The sun is round; it warms all living things and allows us to grow.

**Cub #2:** (holding the poster of the moon) The moon is round; it gives us light at night.

**Cub #3:** (holding a poster of wind) The winds, in their great power, swirl, giving coolness and strength.

**Cub #4:** (holding a poster of the earth) The earth is round; it provides a home and nourishment for all living things.

**Narrator:** The life of a person is a circle from childhood to childhood. We teach our children, as they will teach their children. Would you please stand and join me in the Pledge of Allegiance.
Heroes Flag Ceremony
Great Salt Lake Council

Setting: The Colors advance in the normal manner. A spotlight is shined on the flag while the narrator speaks.

Narrator (Hidden): Heroes, with help from God, have kept me flying in the face of threat and challenge to the democratic way of life I represent. I symbolize all the achievements of a great nation founded for freedom. I am the last hope of peace on earth. I am the American Flag.

Cubmaster: Audience arise and join me in the Pledge of Allegiance to be followed by singing “God Bless America.”

Scouting History Opening Ceremony
Great Salt Lake Council

Cubmaster: Robert Baden-Powell, a British hero, started Scouting in England. He developed Scouting as an outdoor program for boys with ideals built in. It was a way of thinking, a way of living, a way of doing things.

Assistant CM: Today, Scouting is still a program filled with fun and adventure. Men who earned badges as Scouts have served on the Supreme Court, in the United States House of Representatives, and in the United States Senate. President John F. Kennedy was the first president who had been a Boy Scout. President Gerald Ford was an Eagle Scout. Many of our astronauts were Scouts. More and more men, trained as Scouts, are taking their places in today’s world.

Cubmaster: Please stand with me and in the Pledge of Allegiance and the Cub Scout Promise.

Stars and Stripes—Our American Heritage
Santa Clara County Council

Setting: Cub Scout (or Den Chief) stands blindfolded, gagged, and bound before the audience.

Cubmaster: This is an American boy.
- The American Revolution won him freedom. (Cubmaster unbinds him.)
- The Constitution guarantees him free speech. (He removes the gag.)
- A free education gives him the ability to see and to understand. (He removes the blindfold.)
- Let us help Scouting teach him to preserve and enjoy his glorious heritage and to become a good citizen.

Turn off lights, spotlight American Flag, and repeat the Pledge of Allegiance.

I Made A Promise
Santa Clara County Council

Six boys (or 5 and a Leader) are needed for this ceremony. Each should have his part printed on a small card he can conceal in his hand or he should memorize his part.

Cub #1: I made a promise... I said that whatever I did I would do the best I could.
Cub #2: I made a promise... to serve my God and my country the best I could.
Cub #3: I made a promise... to help other people the best I could.
Cub #4: I made a promise... to obey the Law of the Pack the best I could.
Cub #5: I have done my best, and I will do my best because I am the best... I am a Cub Scout.
Cub #6: Will everyone now join us in repeating the Cub Scout Promise.

Heroes All Around Opening
Santa Clara County Council

The past few years have changed America in many ways. One of the most obvious to us now is the fact that we now know heroes are all around us. They are the men and women that run towards danger and disaster when everyone else is running away. They are the ones who risk life and limb to rush to our aid when we dial 911. They are the ones who train year after year to fight for our freedom at any time and anywhere.

Would everyone who has served in the military or reserves please stand. Would everyone is now or ever has work as a law enforcement officer or a fireman or as a EMT or paramedic please stand also.

Look around, let us all now stand and salute these real American heroes.

Please join in the Pledge of Allegiance.

Election Time Opening
Santa Clara County Council

Cub #1: November is the month to vote and sometimes people say “Oh well, what can my one vote count?”
Cub #2: And sometimes they use that excuse to not vote. If you don't vote, you cannot complain about anything our politicians do.
Cub #3: If you think your one vote doesn't count, listen to this:
Cub #4: In 1645, one vote gave Oliver Cromwell control of England.
Cub #5: In 1649, one vote caused Charles I of England to be executed.
Cub #6: In 1776, one vote gave America the English language instead of German.
Cub #7: In 1845, One vote brought Texas into the Union.
Cub #8: In 1868, one vote saved President Andrew Johnson from impeachment.
Cub #9: In 1876, one vote made Rutherford B. Hayes President of the United States.
Cub #10: This is the land of the free, where voting is a privilege but also an obligation. Let us stand and say the Pledge of Allegiance.

**AUDIENCE PARTICIPATIONS & STORIES**

**Clancy To The Rescue**
San Gabriel, Long Beach Area, Verdugo Hills Councils

Divide audience up into six groups. Assign each group a response to do whenever their word is spoken in the story. Practice as you assign parts. If your group is small, have everyone react to the last two items. If group is larger, divide into seven groups and assign STEAM. ASLEEP only occurs once at the very end.

**CLANCY:**
Feel your muscles, like a strong man

**HORSES:**
Slap Thighs

**YELL:**
Use your hand over your mouth

**FIRE ENGINE:**
High-pitched siren sound

**BELL:**
Swing arm like a clapper saying, “Clang, clang, clang!”

**HOSE:**
Shh-sh-sh sound like water from a hose

**STEAM:**
Everyone makes high pitched Sssss sound

**ASLEEP:**
Everyone snores

If you like HORSES, you would have enjoyed living back in the 1800's when they had old-fashioned STEAM type FIRE ENGINES pulled by HORSES. One of the FIRE ENGINES was driven by the greatest hero ever, CLANCY! Yes, Sir! CLANCY was a real hero. Every day when there was no fire, he would take the HORSES out for exercise, trotting them gently up and down the streets. If there were children along the way, CLANCY would always stop and let them pet the HORSES.

Sometimes the alarms were in the daytime, but sometimes they were at night. When the alarm sounded at night, one man would YELL up to the firemen above, and the men would run to the FIRE ENGINE where the STEAM was started up, and away they would go to the fire, clanging the BELL, with CLANCY driving the HORSES.

One night most of the men were in bed and the others were playing checkers when the alarm sounded. Where was the fire? At the mayor's big two-story house! The YELL was given and quick as a flash the firemen were up and on their way. CLANCY stopped the HORSES and YELLED, "Keep the STEAM up men." They started the fire HOSE and began to squirt water on the fire. CLANCY strained to see upstairs where the mayor's wife was trapped. Flames were everywhere! CLANCY YELLED, "You'll have to jump!" The mayor's wife was afraid, so CLANCY threw her a rope and she came right down into the middle of the net.

The firemen kept fighting the fire. They got the HOSE on it and kept up the STEAM in the FIRE ENGINE. Before long, the fire was out, so they turned off the HOSE, got back on the FIRE ENGINE and went back to the fire house, clanging the BELL. To CLANCY and the other firemen, it was all in a day's work. The tired firemen went back upstairs and soon were sound ASLEEP.

**Cub Scout Heroes**
Sam Houston Area Council

Divide the audience into four groups. Assign each group their words for the story. Each time their word is mentioned in the story, the assigned group enthusiastically says the designated sound words. Practice as you make assignments and have a practice session before starting the story.

**FOLLOW:**
A Cub Scout Follows Akela (Give sign)

**HELP:**
The Pack Helps the Cub Scout Grow (Give sign)

**GIVE (GAVE):**
A Cub Scout Gives Goodwill (Give sign)

**PACK:**
A Cub Scout Helps the Pack Go (Give sign)

**HERO (HEROES):**
ALL ADULTS cheer “Hip, hip hooray!”

**CUB SCOUT:**
ALL CUBS give the Cub Scout sign and say, “Do Your Best.”

This is the story of Gary, a CUB SCOUT who wanted to do something to HELP his elderly neighbor, Mrs. Green. This CUB SCOUT wanted to FOLLOW the advice of his PACK leaders, who asked every CUB SCOUT to find some way they could GIVE HELP to someone else. Gary thought that his neighborhood would be the best place to start.

One way Gary could think of to HELP his neighbor was to rake up the leaves in her yard for her. It was such a big yard, though, and he was such a little CUB SCOUT. Gary needed some HELP. So he thought some more and decided to talk to his PACK leaders and see if they could GIVE him some suggestions. The PACK leaders said they would ask if any other CUB SCOUTS would like to FOLLOW Gary’s example and HELP rake the leaves for Mrs. Green.

What started with only one CUB SCOUT helping Mrs. Green soon grew to two CUB SCOUTS, then three CUB SCOUTS, then four CUB SCOUTS, then five CUB SCOUTS... (Continue adding CUB SCOUTS while the audience gives the Cub Scout sign each time and says “Do Your Best!” until everyone starts to laugh. Then finish reading the story.)

Mrs. Green told everyone about Gary and his CUB SCOUT PACK. She called the CUB SCOUTS her HEROES because of all the help they GAVE her.

The moral of this story is: If you FOLLOW the advice of your PACK leaders, and GIVE HELP to those around you, you will be a great CUB SCOUT, and maybe someone’s HERO, too.
Smokey Bear (A true story)  
Santa Clara County Council

Divide the audience into six groups. Assign each group their words for the story. Each time their word is mentioned in the story, the assigned group enthusiastically says the designated sound words. Practice as you make assignments and have a practice session before starting the story.

- Big Tree - I am so big!
- Middle-Sized Tree - See my pretty leaves
- Baby Tree - I'm just a bush
- Camper - I love this beautiful forest
- Fire - Crackle, crackle
- Smokey - Only you can prevent forest fires
- Babbling Brook - Assign one person, they get up and run through the group, babbling

The distribution of the words in this story is not close to even. There are FIRE appears 8 times, Middle Sized Tree and Camper twice. Watch your assignments.

One upon a time in a beautiful lush green forest, there stood three trees, the BIG TREE, the MIDDLE-SIZED TREE and the BABY TREE. A BABBLING BROOK coursed its way through the forest. A CAMPER made a FIRE for his breakfast without clearing the area for 10 feet and then went for a hike without making sure the FIRE was dead out. The FIRE threw some sparks into some dried grass. It started smoldering. The BABBLING BROOK was not close enough to put out the sparks. In a short time, the dry forest was ablaze. The animals heard the sounds of the FIRE, smelled the smoke, and tried to flee. A bear cub couldn't see where his mother had gone so he did what she had taught him when there was danger. He climbed the BIG TREE. The FIRE roared by. It burned up the BABY TREE and MIDDLE-SIZED TREE. It singed the BIG TREE with the bear cub clinging to the top. After the FIRE, a ranger found the bear cub still in the top of the BIG TREE and got him down. He was singed and scared. The ranger healed his burns and raised him. He called him SMOKEY. He became the symbol to remind CAMPERS and hikers to be careful with FIRE and protect the BIG TREES, the MIDDLE-SIZED TREES and the BABY TREES so we can enjoy the forest with the BABBLING BROOKS running through them. Remember, "Only you can prevent forest FIRES!" the one who says that is SMOKEY Bear.

LEFT, RIGHT, WRIGHT  
Santa Clara County Council

Johnny WRIGHT was very excited as he talked to his parents. "I want to become a Cub Scout," he said. "I am the only boy LEFT in the neighborhood that isn't one. Peter invited me to his Blue & Gold banquet tonight to see if scouting is RIGHT for me. Can we go?"

Mr. WRIGHT called Peter's dad to get directions. When he got off the phone he told everyone, "It's at First Baptist Church. We go south on 125, take a LEFT on Cherry St. then our first LEFT into the parking lot...let's go! Johnny ran RIGHT out and got into the car. At the church they went in and had a great time. The Cub Scouts got great awards, put on skits, sang songs and had a ball. The Cubmaster came over and talked to Johnny. "Why do you want to be a Cub Scout..." Because at school all the kids talk about the fun they have here, and I feel LEFT out, and my friend LEFT his Cub Scout cap at my house, right on my desk so I tried it on, I look cool in it." Johnny replied. One of the leaders looked at Johnny's parents. "Would you like to help out? It's fun and rewarding". Mr. WRIGHT looked at Mrs. WRIGHT they both fidgeted nervously..."We thought parents brought their boys, then LEFT. We didn't know we had to help." "Oh, you don't have to" explained one of the leaders, "but if no one is willing to give of their time, soon there will be no scouting LEFT. The more parents that help...the less work for us all. You could be den leaders and help boys to stay on the RIGHT track, or you could be on the committee and attend a meeting once a month to help make the RIGHT decisions for our Pack. There are many positions with different levels of time commitment, I'm sure we could find one that's just RIGHT for you...I hope I haven't LEFT out any information...so, would you like to help?" RIGHT on, exclaimed Johnny's folks. Johnny just beamed. He knew he had made the RIGHT decision by coming to the Blue & Gold.

LEADER RECOGNITION

Have I told you lately how much I appreciate all that you do in the Cub Program?  
Chris Reisel, Former Editor of Baloo’s Bugle

When was the last time you told another scout volunteer the above statement. Have you said thank you for all their help and for volunteering to work in our program? Just two words-----‘thank you’ They are so simple and yet not said enough. We mean to say it, we want to say it, and yet somehow, we manage to forget until it is too late. Something came up, you got distracted and the words never got said. Let me tell you how much I appreciate what you have done to help the program;  THANK YOU!

Because You Said Yes
Sam Houston Area Council

Because you said yes,
★ A young man will feel the pride of being someone special as he carefully puts on his uniform for the very first time
★ A young man can move to a new town and have "instant friendships" with Scouts he might never have met
★ Parents will experience that special pride when they listen to their son say the Cub Scout Promise for the first time
★ Bright eyes will become a little brighter with excitement as the kindling finally catches on the first campfire
★ The community, and the world will be richer because a young man has learned the importance of caring for his environment, and the warm feeling that comes from giving service to someone less fortunate than himself
★ A young man will contact the Boy Scouts one day and say "I had so much fun when I was a Cub Scout, I'd like to try being a leader"

And the circle will continue… because you said yes!

Materials – play gloves or mittens (stuffed), OR latex gloves, OR outline of Scout’s hand on cardstock, mounted on a display with the following sentiments – For Your Helping Hands

Salute to our Heroes Advancement Ceremony
Sam Houston Area Council

Materials – “Medals of Honor” made from construction paper and attached to loops of crepe streamer to be hung around the Cub Scouts’ necks. Label the medals “HERO.”

Cubmaster: Often we hear of professional athletes being called “sports heroes.” That’s a colorful description, but all they are really doing is playing a game to entertain us. Some of these people really are heroes, but that comes from things they do off the playing field to help their communities. We salute those heroes that are people who are not afraid to do what they believe is right. They are people who want to make things better for others. They are usually prepared and trained to do the job. And they will do their best even if they are afraid because it is important to them to do what is right.
The following Scouts are the heroes that we salute today. They have chosen to work hard and prepare themselves in life by learning Cub Scouting ideals. They are learning to be independent and successful and happen to have a lot of fun along the way. Please join me in congratulating the heroes who have earned their Bobcat rank (call out names of Scouts and their parents, present rank awards, and place medals around the Scouts’ necks. Continue in a similar manner for each additional rank.)

Badges of Cloth
Greater St. Louis Area Council

This will make a great start to your first advancement ceremony. Although no awards are made during this it does a good job of explaining the advancement program. You will need six cards in the shape of a badge, with one letter of the word BADGE on each card, the explanation for each letter on the reverse side.

**Cube # 1:** B: stands for badges given today. What is a badge? A scrap of colored material is not nearly so important as the job that was done to earn it.

**Cube # 2:** A: stands for Akela. Your family and leaders who have helped you earn your badge.

**Cube # 3:** D: stands for Deeds. Good deeds to be done now and in the future for family, friends, and the community. Good deeds done with the knowledge and skills acquired through the badges.

**Cube # 4:** G: stands for Growth. The Pack helps the Cub Scout grow.

**Cube # 5:** E: stands for Eagerness and Energy. Both are necessary to earn badges. Badges do not come easily and they should not or their value would be small. Badges present challenges, difficulties, and satisfaction in accomplishment.

**Cube # 6:** S: stands for Service. Service to others is one of our aims in life. Our badges help up to bring service to others.

Turkey Song
_Santa Clara County Council_
Tune: My Bonnie

My turkey went walking on morning,
The November weather to see.
A man with a hatchet approached her,
Oh, bring back my turkey to me.

**Chorus:**
Bring, back, bring back,
Oh, bring back my turkey to me, to me.
Bring back, bring back,
OH, bring back my turkey to me.

I went down the sidewalk a-shopping,
The sights in shop windows to see,
And everywhere hung great fat gobblers
Oh, bring back my turkey to me.

**Chorus:**
I went out to dinner and ordered
The best thing they had I could see,
They brought it all roasted and sizzling
They brought back my turkey to me.

**New Chorus:**
Brought back, brought back
They brought back my turkey to me, to me.
Brought back, brought back
They brought back my turkey to me.

_Our Pilgrim Forefathers_
_Santa Clara County Council_
Tune: Battle Hymn of the Republic

They came as strangers to a wild land, brave and unafraid,
In spite of many hardships they still bowed their heads and prayed
"We're thankful for the growing crops, the beauty of our land,
And freedom to live as we planned."

**Chorus:**
Our Pilgrim fathers make us proud
They accomplished what they vowed,
We will sing their praises loud,
And freedom marches on.

Squanto was an Indian and he helped the Pilgrims out,
He taught them how to plant their corn and how to fish for trout,
They hunted in the woods for deer and caught wild turkeys, too,
He was a friend so true.

**Chorus**
Bradford was the Governor, he was just and fair,
He thought it was important that each man received his share,
He planned the first Thanksgiving holiday to celebrate
A harvest good and great.

Chorus

Thanksgiving
_Santa Clara County Council_
Tune: Yankee Doodle

The Pilgrims came across the sea
From England far away
And now we always think of them
When it's Thanksgiving Day.

The Mayflower was their sailing ship
Across the waves of foam.
They landed here on Plymouth Rock
And this was their new home.

The bitter winter was so hard
That many Pilgrims died.
By spring they had some growing crops
And Indian friends besides.

When harvest came they were so glad
They had learned so many things.
The Indians joined them in a feast
The first Thanksgiving Day.

So many things they had to learn
All along the way,
We thank the Pilgrims everyone
For this Thanksgiving Day.

_I'M A YANKEE DOODLE DANDY_
_by George M. Cohan_
_Santa Clara County Council_

I'm a Yankee Doodle Dandy
A Yankee Doodle, do or die
A real live nephew of my Uncle Sam
Born on the Fourth of July

I've got a Yankee Doodle sweetheart
She's my Yankee Doodle joy
Yankee Doodle came to London
Just to ride the ponies
I am the Yankee Doodle Boy

TOMMY THE CUB SCOUT
_Santa Clara County Council_
Tune: Frosty the Snowman

Tommy, the Cub Scout
Was a very happy boy.
With a uniform of blue and gold
And a Den that gave him joy.

Tommy, the Cub Scout
Earned his badges one by one.
He did his best and met the test.
A good citizen he's become.

He helps other people when
He sees they need a lot.
He does his chores around the house
And feeds his dog (named Spot).

Tommy, the Cub Scout
Does his duty willingly.
Someday he'll join a Boy Scout Troop
And a fine man he will be.

**Veteran Heroes**

**Alice, Golden Empire Council**

Down at the Veteran's hospital, a trio of old timers ran out of tales of their own heroic exploits and started bragging about their ancestors. "My great grandfather, at age 13," one declared proudly, "was a drummer boy at Shiloh."

"Mine," boasted another, "went down with Custer at the Battle of Little Big Horn."

"I'm the only soldier in my family," confessed vet number three, "but if my great grandfather was living today he'd be the most famous man in the world."

"What'd he do?" his friends wanted to know.

"Nothing much. But he would be 165 years old."

A Real Riddle About a Real Hero:
Alice, Golden Empire Council
Q: Why is George Washington’s official birthday celebration held on February 22 when he was actually born on February 11?
A: We lost eleven days when we switched from the Julian to the Gregorian calendar during his lifetime. So Washington celebrated his birthday eleven days later to make it a year after his last birthday.

SKITS
Recipe for a Great Cub Scout Den
Sam Houston Area Council
Setting – 3 to 10 Scouts. One Scout “reads” from a cook book; one Scout “stirs” the pot, and the other Scouts add the “ingredients.”
Probs - Cover old cans or boxes or plastic containers with paper and label. Fill each can with some streamers so it looks like it’s spilling out when the Scout adds the “ingredient.”
Scene – Scouts are standing around a table with a large pot and the “ingredients” on top of the table.
Cub #1: (stands by the pot and stirs slowly as each ingredient is added)
Next comes two cups of laughter.
Cub #2: (reads from the cook book) Here is a recipe for a great Cub Scout den. Hey guys, do we have everything? (He looks around as the other Cubs nod their heads.)
Cub #3: Here it is (pours it in).
Cub #4: I have that! (pours it in)
Cub #5: I think this is the courtesy (pours it in).
Cub #6: I brought that (pours it in).
Cub #7: Now, two cups of helpfulness.
Cub #8: I brought that (pours it in).
Cub #9: We need one gallon of patience.
Cub #10: I got that, and I added a little more than the recipe needed (pours it in).

Making A Cub Scout
Great Salt Lake Council
Characters: Child, Two Leaders, Two Parents
Props:
You will need a large table for the child to lie on during the “operation.”
The “doctor” can carry a large cardboard knife.
Props to be “removed” are tacked to the back of the table, out of sight.
Those to be “put in” can be placed nearby. (Props are listed where used.)
Narrator: We are about to instruct you in the method of making a Cub Scout. To complete this project, you will need one small eager boy, two interested parents, one patient den leader, and one courageous Cubmaster.

(Each character enters as his name is spoken. The boy wears his uniform under a large loose-fitting shirt and climbs up on the table. Others don surgical masks. As the narrator continues, the operation proceeds, with the Cubmaster acting as doctor. The den leader and parents hand him the things to be put in and take the things removed. When the boy is hidden under a sheet, he removes his shirt.)
Narrator: Cover him with fun and good times (Hold up posters labeled “FUN” and “GOOD TIMES” and cover boy)
Narrator: We use laughing gas for anesthetic. (Use a tire pump labeled “Laughing Gas.”)

Narrator: Take out hate and put in “Love.” (Hate - lump of paper, so labeled. Love - big paper heart, labeled).
Narrator: Take out selfishness, put in cooperation. (Sign “I,” sign “WE”).

Narrator: Take out idle hands, put in busy fingers. (Idle - empty rubber gloves. Busy - glove full of flour.)
Narrator: Make a Cub Scout. (Remove the sheet. Boy, in uniform, stands up and gives the Cub Scout sign.)
Blue and Gold Spirit
Sam Houston Area Council

Setting – 7 Scouts. One (Cub #1) is dressed as Lord Baden-Powell (or a den leader, or other Scout leader). Props for the items needed as noted below.

Scene – Lord Baden-Powell stands in front and the Scouts enter one at a time as they are described.

Cub #1: I represent the spirit of Lord Baden-Powell, the founder of Boy Scouting. I am also the spirit of Boy Scouting, past and present. Here is our future—the Cub Scouts of America. (Cub #2 enters in complete uniform.)

Cub #1: The two colors of the Cub Scout uniform have special meaning. Blue stands for truth and loyalty. Gold stands for good cheer and happiness. (Cub #3 enters with Wolf book and Kipling’s Jungle Book.)

Cub #1: Early Cub Scout ceremonies were based on Kipling’s Jungle Tales. When Cub Scouting was organized in America in 1930, Native American themes were used. (Cub #4 enters with a craft project made from wood.)

Cub #1: Cub Scouting means fun. We have lots of fun. Most Scouts like making things—really good projects—things they can play with that usually follow a monthly theme. (Cub #5 enters carrying a collection from nature.)

Cub #1: Cub Scouts like to go on hikes and collect things for their nature collections. They like the outdoors. (Cub #6 enters, carrying a spatula and a bowl.)

Cub #1: Most Cub Scouts like to go on picnics. AND, it’s even more fun when they get to cook their own food. (Cub #7 enters, carrying the American flag.)

Cub #1: Cub Scouts are proud to be Americans. They are proud of their flag. They are also very proud of their pack flag, because it reminds them they are part of 100 years of Scouting. They are part of both America and the Cub Scouts. (Pause)

Cub #1: Yes, I represent the past and the present. These young Cub Scouts now are the men of the future. They will be the preservers of our American heritage. Harvest Celebration
Santa Clara County Council

Boys are standing around talking. They can be attired in Colonial costumes.

Cub #1: We sure had a great time at the Harvest Celebration. When my Dad said we would have a big party I didn't know it would last for 3 days.

Cub #2: Yea! We invited 92 Indians, plus all our families. We helped our Moms cook for days. It was fun to play games, have shooting contests and relays during the celebration.

Cub #3: I liked the food we cooked, boiled eel, lobster, roasted pigeon, stuffed cod, journey cakes, corn meal bread with nuts and succotash.

Cub #4: The Indians brought food too, turkeys, pumpkins, sweet potatoes, cranberry sauce. And, they brought deer meat, too.

Cub #5: I liked the popcorn the best...I never ate popcorn before. I heard my Dad say Governor Bradford has decided to have a celebration again next year, in 1622. He wants to call it Thanksgiving Celebration!

One Drop Of Blue Closing Ceremony
Great Salt Lake Council

Equipment: One clear gallon glass jar, full of water and blue food coloring.

✓ The Cubmaster drops one drop of blue food coloring into the gallon of water.

✓ Watch as one drop of blue becomes a larger and larger circle until it becomes so diluted that it is barely visible. (Hint - Practice and keep your water volume such that a tinge of blue remains)

Cubmaster says:

✓ The one little drop of blue did its best and succeeded in filling the whole big jar.

✓ In the same way, one Cub Scout (in blue) can also influence all those around him by his actions and words.
I remember learning this ceremony at my first Den Meeting at Mrs. Kneale’s house in September 1957. We still teach it to our dens.

Based on an Indian custom, the living circle may be used alone or as a part of another ceremony. It reminds a Cub Scout of the fine friendships he is making in Cub Scouting. Hold out your left hand—palm down, and thumb out.

Hold the thumb of the boy on your left and form a connected circle.

Then say the following as a football team may do after a time out or entering the filed at start of the game.

lives every time they suit up. The mail man is also trained to watch out for the emergencies that might come his way while delivering the mail. The neighbor that would open his door to a young child that might need some help out on the street could be a hero also. We also will be highlighting the women that will be in the lives of the Cub Scouts. They would be the den leaders and perhaps the Cubmaster. Then there is the one special person that is in most every boy’s life, his mother.

We are using the cardboard stand-ups and placing a familiar face by enlarging the photo and attaching it in place of the original. Now we have created the “Super Hero” that we want to present. It, of course, could be any one of many people in your area that you have noticed a silent act of heroism that has not been mentioned before. There are many people that just go about their business daily that often respond at a moments notice to help out someone in distress.

We often read in the “Boy’s Life” magazine about the young men that have been prepared in a time of need when the call for help arises and what they have done to save a life. We hope that you will be able to search out some of these people and highlight them for the month.

**WE GIVE THEM THE CUB SCOUT SALUTE !!!**

**Giving Thanks**

_Santa Clara County Council_

_Could be broken up into four or eight parts with each Scout saying a verse or half a verse. CD_

I would give thanks for many things
On this Thanksgiving Day,
Thanks for all the blessings
Life brings each day along the way.
I would give thanks for life and health,
For home, for food, and you,
All that I count my greatest wealth -
Family and friendship true.
I give thanks for my native land,
For freedom on this day;
Where we worship and understand
Our privilege to pray.
I would give thanks for many things
And do the best I can,
To be worthy of all life brings
And serve my fellow man.

**THE AMERICAN’S CREED**

_Santa Clara County Council_

I believe in the United States of America as a Government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable; established upon those principles of freedom, equality, Justice and humanity for which American patriots sacrificed their lives and fortunes. I, therefore; believe it is my duty to my country to love it; respect its flag; and to defend it against all enemies.

**A Boy**

_Santa Clara County Council_

- He is a person who is going to carry on what you have started. He is to sit right where you are sitting, and attend, when you are gone, to those things you think are so important.
- You may adopt all the policies you please, but how they will be carried out depends on him. Even if you have leagues and treaties, he will have to manage them.
- He will assume control of our cities, states and nation. He is going to move in and take over your churches, schools, universities, and nation.
- All your work is going to be judged and praised or condemned by him. Your reputation and your future are in his hands.
- All your work is for him; and the fate of the nation and of humanity lies in his hands. It is well that we pay him some attention.

**Fun Facts About Heroes**

_Alice, Golden Empire Council_

If you need some help remembering heroes, this site lists heroes from various times – click on a specific name and you will be able to see a bio of that person, and click on values of that hero, their defining moments and stories of their failures. This is a Christian website, but with excellent information about the people they feature. The five values they identify as belonging to every hero are: they are fearless, they are applied (very committed), instructed (they have learned as much as they can), they are tireless, and they are humble. I love the fact that there is a link to “warts” - a great way to remind the boys that a true hero is not perfect, and has overcome failures. Lots of stories at: [www.heroesofhistory.com](http://www.heroesofhistory.com).

**Honoring American Heroes**

_Veteran’s Administration History_

[www.va.gov](http://www.va.gov)

1789 – A law was passed to give money to soldiers who fought in the American Revolutionary War ~ many had fought without pay during the war.

1861 – The Civil War broke out and Union veterans grew from 80,000 to 2 million!

1862 – President Lincoln started national cemeteries to honor the many Union dead from the Civil War.

1865 – President Lincoln gave his second inaugural speech. He asked Congress “to care for him who shall have borne the battle and for his widow, and his orphan.” This became VA’s motto.
1912 – The Sherwood Act gave pensions to veterans of the Mexican and Civil Wars when they turned 62, even if they were not sick or disabled.
1930 – President Hoover signed a bill creating the Veterans Administration (VA).
1940 – Congress created a law to help World War II veterans find jobs when they came home from war.

1944 – On June 22, President Roosevelt signed the GI Bill of Rights, which enabled veterans to go to college and buy a home without a down payment.
1946 – More hospitals were built to take care of veterans, including research facilities.
1973 – The Army gave 82 cemeteries to the Veterans Administration, which maintains the gravesites and provides honorable ceremony and maintenance.
1988 – Congress made the Secretary of the VA a cabinet post, allowing access to the President.
1998 – All eligible veterans could now enroll in VA’s health care system.

The Story behind the Motto of the VA

Lincoln’s words became the VA motto in 1959 with the words, “To care for him who shall have borne the battle and for his widow and orphan.” President Lincoln stated the government’s duty to care for those who are hurt or died defending our Country.

Here is a picture of the VA Seal.

★ The eagle represents the United States.
★ The circle of 5 stars above the eagle stands for the U.S. Army, Navy, Marine Corps, Air Force, and Coast Guard.
★ The flags in the eagle's claws show America's history from 13 colonies to 50 states.
★ The gold cord is a symbol for those who died while serving our country. The eagle is holding the cord to keep the memory of those veterans alive.

Hero True Or False
Alice, Golden Empire Council

Tell the boys that you are going to read some statements (Or you could give each boys his own list) If the statement describes a hero, the boys can stand. If the statement does not fit the definition of what makes a hero, boys can remain seated. (Or have the boys circle the number in front of a correct statement) However you use the statements, be sure and discuss them with the boys afterwards – let everyone share their opinion, and make sure that the boys know these are just opinions – and everyone can have their own ideas.

See if you can arrive at a definition that everyone agrees to.

1. A hero is brave and strong.
2. A hero is caring and thoughtful.
3. A hero is selfish.
4. A hero is never frightened.
5. A hero wants to be rewarded for his or her actions.
6. A hero makes mistakes.
7. A hero is never silly.
8. A hero is dishonest.
9. A hero puts others before himself or herself.
10. A hero stands up for himself or herself.
11. A hero never gets angry.
12. A hero is always a popular person.

**Achievement 3 Family Activity**

**Part A** With your family plan a fire drill and practice it in your home.

Be sure to plan a safe meeting place outside so that you will know when everyone in the family is safe. Go to that place as part of your practice.

Tiger Cubs have fire drills in school and some adult partners have fire drills where they work. With your family, talk about how you would get out of your house or apartment safely if there was a fire.

**Part B** With your adult partner plan what to do if you become lost or separated from your family in a strange place and then practice it.

Tell your Tiger Cub that if he ever feels that he is lost, he should stay where he is and hold onto something like a bench, a post, or a tree. Assure him that because you love him, as soon as you realize that he is not with you, you will quickly begin looking for him. Explain to him, that if he does not stay where he is when he is lost, it will take you a lot longer to find him. Practice a game with him where he pretends that he is lost, he holds onto something stationary, and you walk out of sight, wait a 3 to 5 min., and then come back for him.

A Tiger Cub, with his inquisitive mind, can quickly become separated from you indoors such as in a mall while shopping, or outdoors in a wooded area when on vacation. For his own safety it is important that he know what to do when lost or separated.

**Achievement 3 Den Activity**

To keep your body healthy, it is important that you eat a well-balanced diet. The food pyramid in your book helps you by showing how many servings of certain kinds of foods you should have each day. Go to [http://www.mypyramid.gov/](http://www.mypyramid.gov/)

*Also be sure to visit [http://www.fruitsandveggiesmorematters.org/](http://www.fruitsandveggiesmorematters.org/) to learn about eating your fruits and vegetables by the color and [www.3aday.org](http://www.3aday.org) to learn about your dairy needs. CD*

**3D Make a food pyramid.**

Draw a food pyramid on a big piece of paper or a poster board. Using old magazines donated by the den families cut out pictures of food and glue them in the appropriate place on the pyramid. You can also draw pictures of different foods to add to the food pyramid.

**Also, do the Health and Fitness Character Connection.**

This Character Connection involves being personally committed to keeping our minds and bodies clean and fit.

**Achievement 3 Go See It**

It’s fun to play games and to take part in sports. It’s also good exercise, which helps to keep your body healthy. Some games and sports are for one person, and sometimes people play games or sports on teams. It’s also fun to watch others play games or demonstrate their abilities.

Understanding the game or sport you are watching makes it a lot more fun.

**3G First**, learn the rules of a game or sport. Then, go to watch an amateur or professional game or sporting event.

**Local High School, Community College, and other teams are great for this. We have a minor league Hockey team, The Philadelphia Phantoms, [www.phantomshockey.com](http://www.phantomshockey.com), which runs several Scout nights each year at reasonable cost!! You can get to all the other AHL team websites from their site. CD**

**Southern NJ Council**

**Den Activity**

Emergency information is available from local libraries, the American Red Cross, and the local fire departments. Some free handouts can include family disaster supply kits from the local fire department and the Red Cross.

**Emergency Preparedness Ideas to consider:**

Does your group have emergency supplies at the meeting site? Are there food supplies, warm blankets, flashlights, and water tucked away, just in case?

At home, how do you shut off the gas, the water, and the electricity?

What neighbors can help? Have a neighborhood emergency plan ready. Who can be called when needed?

Every Tiger Cub will experience fire drills and storm drills at school. Do you have one established at your meeting site?

Hurry, Tigers, Build your muscles,  
Get in shape for play.

**Electives**

* 46- Healthy teeth and gums

You can’t have a nice, big smile without healthy teeth and gums.

* Visit a dentist or dental hygienist. Ask what you can do to take care of your teeth. Ask them if they went to school to learn how to do their job.

**4-Display a picture**

It’s nice to have pictures of your family on display—especially when some of your family members are not close by all the time.

* Make a frame for a family picture. Glue tongue depressors or craft sticks together in a shape to fit your picture. Attach a string or ribbon to the upper corners to use as a hangar. Tape your picture to the back of the frame and display. You
may want to use a photograph, or a picture that you draw of your family.

*10- Helping Hands
When people grow older, or if they become sick or have an accident, they sometimes have a hard time doing every day things. If you know an elderly person or if you know someone who is ill or recovering from an illness or accident, try to think of what things would be hard for them to do by themselves.

Along with your adult partner, help an elderly or shut in person with a chore. You might offer to do things such as help to take out trash, rake leaves, mail a package, or bring in the mail. Ask first, and do it with a big Tiger Cub smile!

*32- Feed the Birds
Pop-bottle bird feeder

Materials: one plastic 2-liter bottle, two plastic lids about 5" in diameter (from coffee cans, large margarine containers, whipped topping, etc.), 30” heavy twine, or rug yarn, scissors

Have your adult partner help you cut the bottle in half, crosswise. Poke a hole through the centers of the plastic lids with the point of the scissors or a nail. Tie a knot in the end of the twine. Refer to picture and put your feeder together by stringing together one plastic lid (curved side up), then the inverted bottle, and then the second lid (curved side down). Fill the bird feeder with seed and hang it outside.

Pinecone Bird Feeder

Materials: 1/2 cup peanut butter, 1/2 cup shortening, 1-2 cups bird seed, large pinecone, thick twine, paper bag

Twist twine around the pinecone and tie it securely. Mix the peanut butter and shortening together. Spread the mixture between the petals of the pinecone, filling in as much as you can. Put the pinecone along with the birdseed in the paper bag. Close the bag and shake, coating the pinecone with birdseed. Hang the feeder on a tree where you can watch the birds enjoy it.

Connect the Dots

Timucua District, North Florida Council

Explore different kinds of heroes – include Strategic Air Command, DART, Civil Air Patrol, CERT (Community Emergency Response Team), National Guard, Firemen and Policemen, Regular Military, Teachers, Doctors.

Have each scout or family make a list of some everyday heroes – make a list of categories and have each person or team fill in a real name that fits the category. Some ideas are: volunteer firefighters, musicians or artists, parents that volunteer at school, people that bake for a benefit sale, people that help the elderly, people that plan celebrations that everyone can enjoy, first responders, people who teach Sunday School, Scout leaders, kids who help younger kids learn something new (like Venturing Scouts or the Den Chief), people who help their neighbors, people who coach sports for kids.

If you have a school garden or community garden in your area, invite a volunteer to share how it got started, how it helps families in the community. Learn about school gardens in your communities and the “heroes” who keep them going. Go to www.kidsgardening.com/school/searchform.asp for information and stories, as well as links to other great project ideas and garden projects in specific areas.

Talk to a local librarian – they may need volunteers, can connect you with community organizations, speakers, or sometimes even sponsor programs such as Adult Literacy.

Check with Habitat for Humanity, Christmas in April, Humanitarian Aid Projects or local Senior Gleaners for service project ideas or to find some wonderful local heroes.

If there is a teacher’s resource center in your area, volunteer to put together kits for local teachers – they are all heroes!

Check with your local Volunteer Center – every city or county has one. They can connect you with volunteer opportunities, and sometimes have programs to honor volunteers – an easy way to find someone to honor or come visit your den or pack!

Ask families in your pack to share stories about everyday heroes – ways that people can help their communities – examples of one-person projects that make a difference. Feature these stories at your pack meeting.

Challenge every member of your den or pack to Pay it Forward!

Invite a speaker to talk about Veteran’s Day or heroes – see the VA website information

To locate a National Cemetery go to: http://www.cem.va.gov

Add to the total at BSA Good Turn for America – enter hours of service at www.goodturnforamerica.org
Check out the “Make a Difference Day” stories from Parade magazine – you might find the perfect one-person or den service project.

Work on the scouting requirements that prepare scouts to be a hero – first aid training, plumbing, fix it, carpentry skills – boys or families can be a “hero” by helping an elderly neighbor or relative who can’t afford regular maintenance – and in the future, as men with these skills, today’s scouts will be a hero to their own families.

Obtain or print out a map of the local community – (Thomas Bros. maps also show schools, fire stations, community centers) – talk about the places where help is available and where good citizenship is practiced.

Take a Thomas Bros. map of the local neighborhood, mount on cardboard, laminate, and cut into puzzle pieces to use for a family or den game to learn about community resources.

Contact a local VFW or local cemeteries to get flags for putting out on graves of Veteran’s – this is only done in the older cemeteries – in most National cemeteries, they instead have a Memorial Avenue of full-size flags donated by families – these flags are ones that were used to cover veteran or military caskets. They are flown on every holiday and whenever there is a funeral for active military. You can arrange to come and raise these flags as a way to honor veterans.

Check to see if there are Veteran’s Day Parades in your area and register to participate in uniform.

Visit a museum and look for heroes – people who have done something heroic or started a service project, saved a building from demolition, worked with youth in the community, overcome challenges.

Visit with older people, especially family members, and learn about them, their work, their service, how they spent their time – identify ways that they were heroes, overcame challenges, helped others get educated, or made a difference in their communities.

Choose a service project to honor heroes – one idea is Operation Military Kids, which provides hero packs to children who are sacrificing time with their deployed parents – See web sites

Invite a CERT (Community Emergency Response Team) member to come and share information with your den or pack families.

Give local Venturing Scouts the opportunity to teach skills to your scouts – Venturing crews can fulfill their requirements and be a “hero” to your Cubs/Webelos.

Check out the book The Children’s Book of Heroes by William Bennett and read the story “How the Animals Got Sunlight.” Then talk about who the hero is, why and what they did. Or choose one of the other hero stories in the book – you might even use a story as the plot of a skit for the pack meeting!

Brainstorm with your den about what a hero is - what qualities does a hero have? Encourage boys to think about real people, not just super heroes. Have the boys make special thank you cards for the people they choose as heroes.

Put out a den or pack “newspaper” with stories about people they have identified as heroes. If any of the boys like to do photography or art, you could add pictures! Print out copies and distribute to pack families and your chartered organization. You might even want to send a note to parents so they can help their sons with the project.

Suggest that families talk about heroes in their family history – share stories about how ancestors were everyday heroes.

Choose some everyday heroes that the boys know – such as teachers, police or fire department members, the cubmaster – invite them to come to the pack meeting and give each of them a simple award – perhaps a certificate or even a picture the boys have made to present to them.

Challenge the boys to use their photography talent to enter the 2009 U.S. and Canada International Photography Contest for Kids – they could choose a subject that shows a hero in action, or even a photo that focuses on being an eco hero by featuring a favorite animal. See details at: http://kids.nationalgeographic.com/contests/Photos

Visit a nearby fire or police station, National Guard, Coast Guard or other military installation and see heroes in action. My pack visited a local Coast Guard Station – in land-locked Sacramento – and had a wonderful time touring a plan and watching a video, so check out your local resources! Alice

As a whole pack, including families, write Letters to the Troops – details under Theme Related. This can also be a great lesson in how to write a caring letter – more details and a template on the website.

**Active Theme Ideas**
_Greater St. Louis Area Council_

- Invite your local fire department to a Pack meeting. Fire Safety Awareness month is an opportune time for this Pack meeting. Most fire departments have short programs developed, which they will share with your Scouts. Be sure to "salute" them while they are there.
- Invite your local police department to a Den or Pack meeting. The police have many different programs, such as a canine dog demonstration, the rescue helicopter, fingerprinting demonstration, and “Stay Safe” (self-defense) program. Be sure to "salute" them while they are there.
- Invite your local paramedics and or flight nurse crew to a Pack Meeting. The first aid requirement for all levels of Cub Scouting can be fulfilled. Be sure to "salute" them while they are there.
- Plan an outing for your Den to your local fire or police department. Bring a card or something the Cubs have made as a Thank You and "salute" them while you are there.
- Plan an outing for your Den or Pack to an animal rescue center or humane society because people we salute need not wear uniforms. Bring a card or something the Cubs have made as a Thank You and "salute" them while you are there.

**Safety Projects for Den Meetings**
_Timucua District, North Florida Council_

- Learn how to build a fire and put it out. (Webelos outdoor activity)
- Learn how to call the fire department and how to escape from home in case of fire.
- Learn how to put out fire on a person and give him first aid; learn exits in public places boys frequent such as movies, schools and churches.
- Ask boys to tell how they held a home fire inspection.
- Make a card of emergency numbers.
Fire-Triangle Experiment
*Baltimore Area Council*

Fire requires three things: air, fuel, and heat. Take away any one and the fire goes out. Demonstrate this with a wooden match and bottle.

Have a Cub Scout (or a parent at the Den Meeting) strike a match (creating heat by friction). Let it burn a moment (using oxygen to burn the wood or fuel), and then drop it into the bottle and place his hand over the top. This cuts off the oxygen and the hatch goes out even though there is still plenty of fuel.

Have a Cub Scout strike a match and dip it into a glass of water. The water cuts off the air and cools the fuel, extinguishing the fire even quicker.

Your boys may want to make a poster showing the fire triangle as illustrated.

Two Week Track Down:
Healthy Habits for Healthy Wolves!

*Kathleen from a Pack in the Midwest (I never did get town or council) sent me this idea for Wolves. Achievement 3, Keep Your Body Healthy, requires Cubs to keep track of some items for two weeks. To make it a little more fun Kathleen made up charts with Wolf theme activity names for the items. The boys only had to make a check mark every time they did it or log minutes or hours for outdoor play and sleep.*

- Divide the sheet of paper into 6 horizontal blocks going across the paper.
- Make 14 vertical lines. This creates a section for the category and 14 boxes, one for each day, to record the results.
- For play outside and sleep hours, they log the time in the box.
- For the others they just put a check mark or an X in the box every time they do it that day.
- If they didn’t fill it out for 2 weeks straight, she let them keep going until they had 14 days recorded.
- For boys that have divorced parents with joint custody, give them two charts, one for each parent’s house.

Letters to the Troops
Alice, Golden Empire Council

Write letters to our Troops – you can either use the template on http://www.flagsacrossthenation.org/our-projects/letters-to-the-troops/, or you can make up your own – scouts or siblings can then color in the flag, write a letter below to the troops, put your name and age on the back, and then mail to Flags Across the Nation, 9426 Duckhorn Dr., Charlotte, N.C. 28277.

For younger siblings, or those who don’t feel comfortable writing a letter, click on projects at the website – they have downloadable coloring pages that can be done and also are sent to troops! This is a great project to share with other groups as well!
2010 Freedom Art Contest – Challenge the scouts to enter a piece of patriotic art in support of Letters to our Troops. Every child who enters will receive an acknowledgement gift. For details go to: www.flagsacrossthenation.org/about-flags

Kids Can Be Heroes Too!
Alice, Golden Empire Council

If you want proof, go to: www.chinastrategies.com/lithero.htm for true life stories about children who have been heroes!

Eco Hero Bookmarks
Alice, Golden Empire Council

Use the black and white images at www.nationalgeographic.com/coloringbook/archive to make bookmarks. Cut 5x7 inch index cards into strips to use as the base for bookmarks. Choose an image from the site, then decrease the size to fit, and print off the images. Scouts could color in the images, paste them to the top part of the index card and laminate. Boys could color in the images before lamination, or even add an “eco” message of their own.

If you are working on the “Pets” elective, you could choose a picture of a pet as your image – then make some People cookies from Cub Grub and be a hero to your pet! Alice

Fire Safety Coloring Book -
Alice, Golden Empire Council

This is a sample page from a Fire Safety Coloring Book at www.southbayfire.com/Coloring.aspx There are several options and all can be downloaded for free – this one also includes a list of fire safety rules – point out to the boys and their siblings that they will be a “hero” for sharing what they learn with their family and friends.

You can download pictures or symbols for almost any “hero” organization – this one is for the Coast Guard, with other projects about water safety, marine mammals – and some are available in Spanish – Check it out at www.uscg.mil/TOP/downloads/coloring.asp

Write a Hometown Hero Tall Story
Santa Clara County Council

It’s highly unlikely that the boys want to sit down with pen and paper in hand and write up their own stories—too much like being in school! So, instead, have them work together with the leaders to create a tall story of their modern-day hometown hero.

Start with a whiteboard or sheets of newsprint hung on the walls. You will need to coach/coax them in coming up with a “hero,” but if you start with a “main event” that the hero accomplished, things should flow fairly well from there.

For example, if you give them some ideas for the main event, like “forming the Susquehanna River,” or “raising the Blue Mountain,” then they can come up with the hero and how the event was accomplished.

Gather as many ideas as you can from them and then help them put together a chronology or timeline.

Finally, piece together an outline for the few paragraphs the story should be and help them draft it.

When it’s done, make sure it gets in the Pack Newsletter.

Strategic Air Command Patch  
Alice, Golden Empire Council

The Strategic Air Command Patch uses sky and clouds to represent the area where they perform; the arm and armor represent strength, power and loyalty (many see the lightning bolts as the ability to deliver a powerful blow), the olive branch is symbolic of protecting the peace. Color in this shield as a reminder of how the SAC team provides protection to your community every day.

We used this as part of a booklet about different “hero” services for the Eternal Flame Flag Retirement – but you can use it as a coloring page as well.

Alice, Golden Empire Council
This month would be a perfect time to work on the Citizenship Belt Loop, do a service project for Good Turn America, and honor heroes who have served in the military on Veteran's Day. There are also other “heroes” in each community, such as emergency response teams, police and fire personnel, those who do search and rescue, and ordinary people who serve the community, or those in need, “heroically.” We also have “eco-heroes” today – people who are protecting the environment. This month, boys of every rank can learn and practice skills and develop character needed to be a “hero.”

Tiger Cub Achievements
Ach.#2F – use a local map to find important places in your neighborhood; look for places where “heroes” might be found; show how to get to parks, fire stations, schools, etc;
Ach. #2D – discuss citizenship and the Pledge of Allegiance and participate in a flag ceremony; Ach. #2G – Visit a fire or police station to see how they help the community;
Ach. #3Fa – plan a fire drill in your home;
Ach. #4G – Visit a radio or TV station or a newspaper and see how they can communicate when there is an emergency;

Tiger Cub Electives
Elect. #3 – using a local map that has been laminated and made into a puzzle, put the jigsaw puzzle together with your family while learning about community resources;
Elect. #8 – Invite a religious leader to visit; find out how they help in the community and provide opportunities for people to be better citizens;
Elect. #9 – Help someone new get to know your friends and where things are in the community;
Elect. #10 – Practice good citizenship by giving a helping hand;
Elect. #11 – participate in collecting food, school supplies, or clothing for a service project – be sure to enter the hours on the Good Turn website;
Wolf Achievements

Scout Sign Puzzle
Sam Houston Area Council

Give each Scout a 3x5 card and instruct him to draw one of these features – Scout sign, hair on top of a head, a pair of eyes, two ears, a nose, a mouth, a body with one arm down and one arm reaching up, legs and feet/shoes.

Place the cards upside down on a table and shuffle them. Have each Scout take a turn turning up the cards and putting the Scout together IN THE RIGHT ORDER (start with the Scout sign, then the top of the head, then the eyes, ears, nose, mouth, body, and finally the legs).

If ha Scout turns up a card out of order, it is the next persons’ turn.

The first Scout to turn over the cards in the right order wins.
Mixed Cubs  
*Great Salt Lake Council*

*(Musical chairs without music)*

- You need enough chairs for everyone in the group except for one person.
- Put the chairs in a circle.
- Then go around the circle and tell each person a Scout name like “Tiger, Wolf, Bear, Webelos.”
- The person in the center can then call out one of the names of the Scouts (Tiger, Wolf, Bear, Webelos) or “Mixed Cubs.”
- The object of the game is to always have a chair.
- When the person in the center calls out a Scout name (e.g. Bear), those people who are representing Bears must get up and find a new chair, and the person in the middle finds a chair.
- Whoever is left without a chair is the new “caller.”
- If “Mixed Cubs” is called, everyone in the game must find a new chair.
- After you are in a new seat, you must make the Cub Scout salute until the new caller shouts out one of the Scout names.
- If you do not make the Cub Scout salute and the caller catches you, then you lose your seat and have to switch places with the caller.

**Cub Scout Salute Relay Race**  
*Great Salt Lake Council*

✔ For this relay race, divide the boys up into teams. You can have however many teams you want, but 2 to 4 is probably best.
✔ Everyone starts at certain point, and each team is lined up in their own line.
✔ At the go signal, the first person runs to the first station area, makes the Cub Scout sign and repeats the Cub Scout Promise. You may want to have a copy of the promise posted there for those who do not know it.

> I, (say your name), promise  
> to do my best  
> To do my duty to GOD  
> And my Country  
> To help other people, and  
> To obey the Law of the Pack

✔ Then he runs to the next station, gets a licorice rope off the table and ties a square knot. (Show all the boys how to tie square knots before the race begins.)
✔ He keeps his licorice rope with him to eat later.
✔ Then he runs to the last station where an American Flag is posted.
✔ He stops, salutes the flag, and repeats the Pledge of Allegiance.
✔ Then, he turns around and runs back to his team.
✔ When he gets there, he must use the Cub Scout handshake with the next boy in line before that boy can start his turn. The first team (make sure the teams are equal in size or have a boy go twice) to have all the boys finish is the winning team.

Where is Mr. Turkey?

✔ This goes on until Mr. Turkey is found!

Pumpkin Roll  
*Santa Clara County Council*

We did this game during Easter time using Styrofoam shaped Easter eggs. This is a simple race but since pumpkins are not nice smooth balls and refuse to roll in nice straight lines, you will need plenty of wandering room.

- You will need two large pumpkins and two sturdy sticks. If you need to play inside, use small pumpkins.
- The racers line up on the starting line with the pumpkins turned on their sides.
- On signal, the racers use the stick to roll the pumpkins to the finish line.
- Younger players may want to use their hands instead of the stick.
- Can also be played as a relay race.

17. Now is the time to take boys out for hikes - in neighborhood, park, construction site, open fields.
18. Know what your boys want and give them all they can take. Every Activity Pin if they so desire.
19. Realize that the second year for Webelos is a short one. Know when to graduate them ahead of time.
20. Plan well ahead for the Arrow of Light and get an O.A. (Order of the Arrow) ceremony or other special ceremony scheduled. Contact Troops for help.
21. Be sure to fulfill all the requirements for Arrow of Light and those to get the boys started into Boy Scouts.
22. Get parents involved, even more than before, so they will help carry boys into Boy Scouts.
23. Visit more than one Troop in your area - early. Have parents go along. Also to get a better understanding of the Boy Scout Program.
24. Having a Boy Scout Handbook to work from, refer to, show boys, get ideas from and get them prepared with is a great training aid.
25. Be aware that boys are lost from the Boy Scout Program during the first year if not properly prepared.
26. It is very important that boys experience camping before they join the Boy Scouts to make it more comfortable for them.
27. Remember that a parent must be with a boy on campouts as Webelos, but let the boys live the experience themselves.
28. Having and using a trained 'Den Chief' will add to the program and help leaders, too. The Webelos will enjoy having an older boy there.
29. Use as many assistant leaders and parents as possible to help with any and all hands-on skills activities. A good safety factor, too.
30. Get outside experienced help to give boys the 'Whittling Chit' Requirements and Demonstrations.
31. Boys should start working towards proper uniforming for the Boy Scouts. A proper insignia placement is important.
32. Having a den doodle for the boys is a good tracking and incentive tool to get them all into Boy Scouts.
33. Work with the Webelos at the beginning of their second year, a little at a time, so that they know the Boy Scout Joining Requirements.
34. Have them start working towards the Boy Scout Tenderfoot physical fitness requirements. This is the hardest requirement to fulfill.
35. Get boys started in making out duty rosters and menus for campouts soon. They will have to do these on their own as Boy Scouts.
36. Get all of your boys to Webelos Summer Camp after their first year. This will be their best Outdoor experience as a Webelos den.
37. Games, Skits, Songs, Stories, Competition with each other and a den flag are very important parts of the Webelos Program.
38. Letting the boys pick a patrol name, with a patch, instead of a den number will bring the boys closer to the Boy Scout Program.
39. The most important part of the Webelos Program is having well trained leaders to pass on all those new skills to the

CRAFTSMAN TECHNOLOGY GROUP
Timucua District, North Florida Council

Purpose: Learn how to work with tools

Challenges: Wide range of abilities, obtaining adequate supervision, making a mess, inexpensive materials,

Solutions: This badge will be a favorite, but requires a lot of preparation. Some projects, like leather work and cardboard, can be held at your regular meeting place. Others, like woodworking, should be held in a shop or garage where the sawdust can be contained easier. Because every Cub wants to do something, you'll need a large supply of hammers or nails, and gluing stations. Have small groups rotate around as the work progresses. If everybody is starting fresh, you may need a second project to keep all boys busy. An adult helper or guide with each group or an adult supervisor at each station are both good methods. Remember, everyone is included in the clean-up.

Resources: Collection of materials will be a challenge. Check with local companies for wood scraps. Plywood is usable for most projects, but solid lumber such as pine is better for some cutouts. Hardwoods like oak, ash, and walnut are too hard for most Cubs to cut and shape; they may get frustrated. When hardwoods are needed, precut and rough sand them in advance, leaving the finishing work to the Cub.

For leather crafts, check with companies for scraps that the boys can cut and tool. 6" square or round pieces of Masonite make good work surfaces for cutting and stamping operations.

First projects should be simple. Key chains are easy and make good gifts.

Clay projects are good for gifts and puppet heads that can be used for work in the Showman badge.

Planning: The Craftsman is a multi-meeting project, and the Cubs may also do a lot of work at home. The Cubs require a lot of supervision and help on most projects. Plan one adult for every two or three Cubs. Remember that tools used correctly are safe, but the incorrect use of tools can have serious consequences!

Activities:
The activities included in the Craftsman section of the Webelos book help the boys grasp a basic understanding of using hand tools while building something from scratch. As a Webelos den leader this leaves you with a lot of flexibility in helping the kids come up with ideas for FUN projects to build.

The key word here is FUN. If the project is not fun the kids will not participate and you will likely never finish. and remember these kids are 4th and 5th graders and do not yet have the skill level or attention span necessary to build a work of art.

They will require a lot of one on one attention during these activities. The best advise for you is to BE PREPARED for each den meeting and have a lot of help. If you decide to build these projects during the den meeting I suggest that you have everything set up and ready before the boys show up. Most project will take a minimum of 1 hour to complete.

The Webelos Scout Helps set a side both November and December for the Craftsman activity badge. Your best friends during this time are the boys’ parents. Who can resist a trip down to the local hardware store to get just the right tool for the job. Remember also that these projects are just in time for Christmas.

There are a lot of suggestions in the Webelos book for easy to medium hard projects. Experience has shown that boys this age are very eager to start cutting, hammering and gluing but don't know how to use the tools properly. Most of these young men have never used a coping saw or hammer before. Begin by explaining how to safely use the tools that you will need to do the project. Next demonstrate on a scrap piece of wood or plastic how to properly use each one. You will be very surprised to see how hard it really is to use a coping saw, if not properly done. This demonstration will save you a lot of time later on when the boys begin cutting on their projects. Let each boy try it on the scrap wood.

More Activities
Visit furniture factory, lumber mill or lumberyard.
Some local home centers offer special weekend classes for Webelos age children.
Invite someone to give a demonstration on the safe use of tools.
Visit a construction site or find out about helping with a Habitat for Humanity project.
Visit a tannery or leather goods manufacturer.
Invite someone to give a demonstration of leather craft and explain how to use leather tools.
Invite someone to give a demonstration of metal work, using tin snips and a vise.
Have a nail driving contest.
Build a bridge for pack crossover ceremonies; tie it into the Engineering pin.

Tie in with the Scholar pin and discuss how education helps when doing crafts and working in the technology field.

Household Emergencies

You may encounter a household emergency, which will require you to shut off one or more of the major systems of your home. Familiarize yourself with the shutoff switches and valves that control the flow of water, electricity and gas or oil. You should learn what to do promptly should an emergency arise.

You are blessed
If you woke up this morning with more health than illness.
You are more blessed than the million who will not survive
this week.
If you have never experienced the danger of battle, the
loneliness of imprisonment, the agony of torture, or the
pangs of starvation
You are ahead of 500 million people in the world.
If you can attend a church meeting without fear of
harassment, arrest, torture, or death
You are more blessed than three billion people in the world.
If you have food in the refrigerator, clothes on your back, a
roof overhead and a place to sleep. You are richer than 75%
of this world.
If you have money in the bank, in your wallet, and spare
change in a dish someplace you are among the top 8% of the
world's wealthy.
If your parents are still alive and still married you are very
rare, even in the United States.
If you hold your head with a smile on your face and are
truly thankful you are blessed because the majority can, but
most do not.
If you can hold someone's hand, hug them or even touch
them on the shoulder you are blessed because you can offer
healing touch.
If you can read this message, you just received a double
blessing in that someone was thinking of you, and
furthermore, you are more blessed than over two billion
people in the world that cannot read at all.
Have a good day, count your blessings, salute your friends
and relatives that make these things possible, and pass this
along to remind everyone else how blessed we all are.

Raising a Child
Santa Clara County Council
I have seen repeatedly the breakdown of the cost of raising a
child, but this is the first time I have seen the rewards listed
this way. It's nice, really nice.
The government recently calculated the cost of raising a
child from birth to age 18 and came up with $160,140 for a
middle-income family. Talk about sticker shock! That
doesn't even touch college tuition. For those with kids, that
figure leads to wild fantasies about all the money we could
have banked if not for (insert your child's name here).
For others, that number might confirm the decision to
remain childless. But $160,140 isn't so bad if you break it
down. It translates into $8,896.66 a year, $741.38 a month,
or $171.08 a week. That's a mere $24.44 a day! Just over a
dollar an hour.
Still, you might think the best financial advice says don't
have children if you want to be "rich." It is just the opposite.
So, What do your get for your $160,140?
✓ Naming rights. First, middle, and last!
✓ Glimpses of God every day.
✓ Butterfly kisses and Velcro hugs.
✓ Endless wonder over rocks, ants, clouds, and warm
cookies.
✓ A hand to hold, usually covered with jam.
✓ A partner for blowing bubbles, flying kites, building
sandcastles, and skipping down the sidewalk in the
pouring rain.
✓ Someone to laugh yourself silly with no matter what the
boss said or how your stocks performed that day.
✓ For $160,140, you never have to grow up.
✓ You get to finger-paint, carve pumpkins, play hide-and-
seek, catch bugs, and never stop believing in Santa Claus.
✓ You have an excuse to keep reading the Adventures of
Piglet and Pooh, watching Saturday morning cartoons,
going to Disney movies, and wishing on stars.
✓ You get to frame rainbows, hearts, and flowers under
refrigerator magnets and collect spray painted noodle
wreaths for Christmas, hand prints set in clay for
Mother's Day, and cards with backward letters for
Father's Day.
✓ For $160,140, there is no greater bang for your buck.
✓ You get to be a hero just for retrieving a Frisbee off the
garage roof, taking the training wheels off the bike,
removing a splinter, filling the wading pool, coaxing a
wad of gum out of bangs, and coaching a baseball team
that never wins but always gets treated to ice cream
regardless.
✓ You get a front row seat to history to witness the first
step, first word, first bra, first date, and first time behind
the wheel.
✓ You get to be immortal. You get another branch added to
your family tree, and if you're lucky, a long list of limbs
in your obituary called grandchildren.
✓ You get education in psychology, nursing, criminal
justice, communications, and human sexuality that no
college can match.
✓ In the eyes of a child, you rank right up there with God.
You have all the power to heal a boo-boo, scare away the
monsters under the bed, patch a broken heart, police a
slumber party, ground them forever, and love them
without limits, so one day they will, like you, love
without counting the cost.
