Merit Badge Workbook

The requirements shown in this workbook were issued in 2016 and were in effect until changes were made in 2021 and should be used only by Scouts who started work on the merit badge during that period. The current requirements were issued (revised) in 2021

Merit Badge Counselors may not require the use of this or any similar workbooks.

You still must satisfy your counselor that you can demonstrate each skill and have learned the information. You should use the work space provided for each requirement to keep track of which requirements have been completed, and to make notes for discussing the item with your counselor, not for providing full and complete answers.

If a requirement says that you must take an action using words such as "discuss", "show", "tell", "explain", "demonstrate", "identify", etc, that is what you must do.

No one may add or subtract from the official requirements found in Boy Scout Requirements (Pub. 33216) and/or on Scouting.org.
