SUGGESTED QUALIFYING ACTIVITIES

Because of the designed, flexible nature of the program, crew Advisors and crew committee members are permitted a reasonable degree of latitude in approving activities that serve to meet the qualifying requirements for the Gold Award in the areas of leadership, personal growth, and crew activity projects. Likewise, crew Advisors, crew committee members, and Venturers are encouraged to seek out additional appropriate activities, bearing in mind the purpose of the Gold Award program.

NOTE: The Gold award is recognized nationally; however, the program is administered and approved, and recognition is made, at the local level.
